BANNING RANCH
CONSERVANCY

JOIN BANNING RANCH CONSERVANCY (BRC)

WEDNESDAY, DECEMBER 7TH FROM 7-8:30P

The Agenda

BRC President Terry M. Welsh, M.D. will relay where the organization has been, while Executive Director Melanie Schlotterbeck will outline where it is going. Attendees will be given a chance to submit questions during registration that we hope to answer during the presentation.

Why the Shift?

BRC set the goal to preserve Banning Ranch 23 years ago. Now that we are on the verge of seeing the land protected as public open space, we have set a new goal. Since July, the board and staff have gone through a thoughtful Strategic Planning process. We want to share with you our five year objectives and how we plan to implement it.

Registration Required

Sign up for this virtual event by scanning the QR code or registering on our website (BanningRanchConservancy.org). Zoom details will be sent 48 hours in advance. Register early to save your virtual seat!
